First Grade March Goals

Reading – "Readers Can Be their Own Teachers, Working Hard to Figure out The Tricky Words and Parts in Books"
Readers remember to use all the strategies they know to solve knew or tricky words. They always ask, does it look right? sound right? make sense?

- Readers make sure they always understand their books. They check for meaning as they read.
- Readers make sure they can read longer books and read them with fluency
- Standards L 1.4, RF 1.4c, RF 1.4a, RL 1.3

Writing Workshop- Poetry & Songs
This unit continues in April

- Writers notice what other writers do and try it in their own writing
- Writers write about things that matter to them
- Poetry writers use line breaks, metaphors, similes to make their language powerful and convey feelings
- Writers are able to differentiate between genres

Math

- Model and compare two-digit numbers to determine which is greater than or less than,
- Use symbols <,>, = to compare numbers
- Solve problems using the strategy make a model
