

## **Second Grade Goals for January/February**

### **Writing: Poetry**

- **Students will be able to write in ways that show powerful images.**
- **Students will be able to focus on language and sound.**
- **Students will be able to experiment with rhythm and line breaks.**
- **Students will be able to write with more meaning.**

### **Reading: Poetry:**

- **Students will be able to work really hard to make reading as strong as it can be.**
- **Students will be able to give attention to how my voice sounds as I read and how I tackle tricky words.**
- **Students will be able to have smooth reading by breaking it into chunks.**
- **Students will be able to focus on how to make my reading stronger by using fluency, vocabulary, and rereading.**

### **Math:**

- **Students will be able to fluently add and subtract within 100.**
- **Students will be able to break apart a two digit number to subtract it from a two digit number.**
- **Students will be able to draw quick pictures to represent 3 digit addition.**
- **Students will be able to apply place value concepts when using a break apart strategy for 3 digit addition.**
