## Grade Level Goals - K-2

Grade     K    

Month   January 2018  

### Reading Goals: "Bigger Books, Bigger Reading Muscles"

Readers understand that words are separated by spaces in print. (one-to-one matching)
---

Readers recognize common high frequency words by sight. (e.g. the, is)
--

Readers read texts with purpose and understanding.
--

Readers get themselves ready to read just-right books.
--

### Writing Goals: "Writing for Readers"

Writers create true stories using pictures and words telling who, where, and what.
--

Writers are able to read their own writing.
---

### Math Goals: "Chapter 5 – Addition: Representing, relating, and operating on whole numbers, initially with sets of objects"

"Use expression to represent addition within 5."
--

"Solve problems by using the strategy <i>act it out</i> ."
--

"Use objects and drawings to solve addition word problems within 5."
--

"Use a drawing to find 10 from a given number and record the equation."
---

"Decompose numbers 5 – 10 into pairs in more than one way and record each decomposition with an equation".
--
