March 2018

Student Art Goals	
Grade k	<p>Students will:</p> <ul style="list-style-type: none"> Learn about Impressionist artist Claude Monet Learn about Organic shapes by drawing and tracing water lilies and pads Enhance their cutting and pasting skills in this project Create Water Lily Collage
Grade 1	<p>Students will learn:</p> <ul style="list-style-type: none"> About Artist CLAUDE MONET and the art movement IMPRESSIONISM To IDENTIFY some of his most famous works and create a magical garden inspired by his work About PERSPECTIVE, so that they can create a HORIZON LINE separating the ground from the sky and a pathway going back into space About MIXED-MEDIA and TEXTURE, so that they can use CHALK PASTEL and TEMPERA paint to color their artwork
Grade 2	<p>Students will learn:</p> <ul style="list-style-type: none"> About a HORIZON LINE, so that they can create a windmill landscape using basic one point perspective (with a clear difference between land and sky) About VALUE, so that they can add shadows with black chalk pastel to make the windmills appear to be 3D About MIXED MEDIA, so that they can create an Impressionist landscape collage using paint, paper, oil pastel, glue, and chalk pastel
Grade 3	<p>Students will:</p> <ul style="list-style-type: none"> Learn about COLOR and VALUE, so that they can determine COLOR FAMILIES and create TINTS of at least 2 colors Learn about FORM, so that they can use VALUE to make their artwork appear 3D. Use color, value, texture, drawing and mixed-media to create a splatter painted background for their art Study the artwork and life of Jackson Pollock They go on to explore drawing large and mixing colors to create value. The techniques used to create this lesson will be sure to excite your kids almost as much as the subject matter
Grade 4	<p>Students will:</p> <ul style="list-style-type: none"> Explore space in the scientific sense along with space as an element of art Learn how to make the most out of the space of the paper to create an interesting composition of overlapping objects and the illusion of depth and movement Combine the use of pastels (oil and chalk) with splatter painting and drawing to create fun and expressive art
Grade 5	<p>Students will:</p> <ul style="list-style-type: none"> Learn about Czech artist WENZEL HABLIK, so that they can identify some of his art and use it as inspiration Learn multiple techniques such as splatter painting, shading, stenciling and composition
