

November Goals 2016-17

Reading Workshop

Unit 2- Word Detectives Use All They Know to Solve Words

- Readers know they will face difficulty when reading and work hard to solve tricky words
- Readers use many strategies to solve tricky words, using what they know about letter, sounds, patterns and sight words
- Readers reread their reading to make it sound like talking

Writing Workshop-

Unit 2- Authors as Mentors (Improving our Small Moments)

- Reading Mentor Texts and noticing craft techniques
- Adding craft techniques in thoughtful, purposeful way (dialogue, details, fancy words)
- Using appropriate punctuation and spelling (Editing)
- Rereading writing to revise (adding more and/or taking)
- Writing with growing stamina, engagement, and volume
- Transferring skills and strategies learned in Word Study

Math

- Understand and apply properties of operations and the relationship between addition and subtraction.
- Add and subtract with 20.
- Represent and solve problems involving addition and subtraction.
