

## **Second Grade Goals for September and October.**

### **Writing:**

- **Students will be able to write small moments from our lives in booklets.**
- **Students will be able to write stronger and longer drafts by trying their craft in our own writing.**

### **Reading:**

- **Students will be able to develop reading habits, volume, and stamina.**
- **Students will be able to think before, during, and after reading.**
- **Students will be able to talk with partners about books.**
- **Students will be able to notice and tackle tricky parts of our books as we read.**

### **Math:**

- **Students will be able to develop understanding of whole number relationships and place value up to 1000.**
- **Students will be able to develop understanding of whole number relationships and place value, including grouping in tens and ones.**
