

Curriculum Outline for Second Grade

2017-2018 School Year

Teachers: Mrs. Sullivan, Mrs. Hammer, Ms. Messano, Ms. Zidel, Mrs. Cohen

There are rigorous instructional expectations for 2nd grade. We work cohesively to support all students in meeting the Common Core Learning Standards, preparing them with skills necessary for college and career readiness.

Literacy Teacher's College Reading and Writing Program

2nd graders will be reading and writing, and responding to literary and informational texts. Literacy Common Core Standards include reading literature, reading informational texts, foundational (phonics), writing, speaking and listening, and language standards. In class and at home students will be using books, periodicals, and technology to support their Common Core Learning.

Reading Expectations:

- Reading trade books on their “just right” level
Just right books are books children can read fluently with 96% accuracy and comprehend on their own. In order for your child to be meeting standards, they must be reading a level 6 (J) in November, level 7 (L) in March, and level 8 (M) in June.
- Conferences with teacher and their peers
- Comprehension skills
- Good reading habits
- Read alouds expose children to great literature
- Develop a love of reading

Writing Expectations:

- Mentor texts, trade books
- Writing is produced by the teachers and the children
- Children will be immersed in different units of study, such as poetry, small moment personal narratives, realistic fiction, fairy tales, all-about/informational, authors as mentors
- Children will learn editing and revising skills
- Children will publish and participate in writing celebrations

Language Arts and Spelling

- New spelling words are assigned weekly
- Spelling tests are given each Friday
- Phonics instruction using special spelling/sound combinations
- Grammar program – Simple Solutions – teaches parts of speech, punctuation, plurals, possessives, etc.

Math

Go Math by Houghton Mifflin

Go Math is designed to fully facilitate conceptual development, as students work from introduction to mastery of each content standard listed in the Common Core.

The 4 critical areas of Common Core Standards are:

1. Focus on base ten understanding
 2. Fluency with addition and subtraction
 3. Using standard units of measure
 4. Describing and analyzing shapes
- Children will work independently and in cooperative groups through a variety of math games and hands-on activities.
 - We will also be reinforcing concepts and skills learned in class with Simple Solutions for Math

Science

Harcourt Science Textbook, trade books, literature, class periodicals, non-fiction books

- Children will learn about science tools, the Earth's surface, natural resources, motion, living and nonliving things, plants, and weather

Social Studies

New York City Textbook, weekly periodicals, and trade books

- Children will learn about community life, social needs, history of NYC, citizen participation, map and globe skills, NYC and the five boroughs, current events, and holidays. Each child may periodically be asked to report on a current events item from the newspaper.

*****Birthdays – Parents should give teachers one week's notice if their child will be celebrating their birthday in school. Invitations to private birthday parties cannot be given out in school. Please drop off items at the security desk. We will celebrate during the day with our class.**
