65-10 DIETERLE CRESCENT REGO PARK, NY 11374

Prek Teachers: Mrs. Cavuto, Miss Cahill

PREK NEWSLETTER FOR THE WEEK OF OCTOBER 16, 2017

We continue to work on the Interdisciplinary Unit of Study, "Our Five Senses". This week our focus question is "How do we use our sense of hearing?" Last week we took a sight seeing walk and gathered acorns, leaves and small rocks. Then we used our hand lens to clearly "see" and compare and contrast the differences. This week during our "hearing walk" we will become very aware of the sounds around us. We will draw and write about our findings. We will also play "Guess what's making the sound" game. Various items will be hidden from view and make noises. The children will guess what object is making the sound. We will discuss hearing loss, and how to protect our hearing. The children will also learn "Hey Diddle Diddle" in sign language.

Upcoming events

Wednesday, October 18 – TreeHouse Shakers

PreK 1: Come at 9:30 PreK 2: Come at 10:00

Thursday, October 26 – TreeHouse Shakers

Tuesday, October 31 - Halloween Celebration (Refer to letter)
