

**Safety Alert!**

**"Parents Driving to School"**

**January 17, 2013**

Dear Parent,

Driving has been an ongoing concern for the PS 174 community.

The safety of our children is everyone's concern and everyone's responsibility.

***To ease the flow of traffic---*** Please consider Dieterle Crescent as "one way" street. For example, from 65th Drive turn onto Dieterle Crescent at the flag pole / crossing guard onto the front of the school.

***Remember, traffic tickets will be given for unsafe and illegal driving habits.*** Always, keep crosswalk clear, pull up next to the curb, refrain from a U turn on the street. It is better for parents to park and walk across the street.

***Please escort your child to and from the school door. It is unsafe for children to run across the street to and from the car.*** Remember, each one of us will make a difference in safety.

**Thanking you in advance for your cooperation**
