

Safety Meeting- March 13, 2013

In Attendance- Karin Kelly, Agent Mahmood, Fran Certoma, Susan Hammer, Lou Celentano, Laura Hui, Andrea Gruber, Marcy Murkin, Marcelle Podolsky

This month's meeting was open to parents. The only parent who attended was Marcy Murkin who is a member of the Safety Committee.

Firedrills- We need 4 more.

Code Blue- We have to make clear to the staff the difference between a Code Blue and when only medical attention is needed.

We must remind teachers to send notes to the office notifying staff when students are taking the bus home or not.

The custodian will take down Lock Down posters which were given to us from the Network. The posters we already have hanging are clearer and easier to understand.

BRT Meeting

Lego event went well. Attendance was monitored to make sure we did not exceed the allowable occupancy. Security forms were used, so entering the building was a lot quicker.

We should post flyers or have a special bulletin board displaying writing celebrations, etc.
