P.S. 174 - Fall 2017

Looking Back

- The children enjoyed the bubble meet-and-greet before school even started!
- We have come a long way since the first day! Your child knows the routines in their classrooms and the cafeteria. They are learning to become as independent as possible.

- Thank you families who took part in Dads Bring Your Child to School Day.
- Thank you parents for coming to curriculum meetings.
- Thank you for all the supplies that will be used throughout the year.

October Themes

Apples and Pumpkins

Each class will be using the apples you send in to practice math skills, science skills, and do art projects as well.

Pumpkins also lend to learning more about life cycles of plants.

Christopher Columbus

We will learn about his journey and the names of his three ships.
