Public School 174
William Sidney Mount
65-10 Dieterle Crescent
Rego Park, NY 11374

Karin Kelly, Principal

Kerstin Kobetitsch, Assistant Principal

Teachers: Mrs. Cavuto

Miss Cahill

Our PreK classes are off to a great start! Our goal for the first few weeks of school is for the students to get to know their teachers and their classmates. We are playing "ice breaking" games for the students to feel welcomed, nurtured, and adjust to our prek program.

Some of the social emotional skills that the students are learning include: playing and interacting cooperatively with others, taking turns, sharing, transitioning, following routines, and exchanging ideas. These are very big steps for our children, and we are so proud of them.

We are working on our Interdisciplinary Unit of Study, " Welcome to PreK!"

Some of the focus questions for this unit include:

"What will I learn and do in PreK?"

"What do I bring to my PreK Community?"

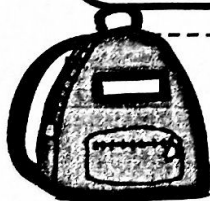

The students will begin to work at all centers this week.

That means that each child will choose from the following centers:

- Art Center
- Sand/Water Table Center
- Math Center
- Science Center
- Dramatic Play Center
- Dress-Up Clothes Center
- Writing Center
- Doll House Center
- Listening Center
- Kitchen Center
- Library/Book Center
- Block/Steam Center

REMINDER:

PLEASE DO NOT SEND IN FOODS CONTAINING PEANUTS!

Please label all of your child's belongings. (Sweaters, Jackets, Coats, Sheets, Blankets, Lunch Box, Snack Bag/Box)
